TECHNICAL SKILLS

- **Programming Languages**: Python, Java, C/C++, Javascript, Objectve-C, Bash, Qt/QML
- **Databases**: MySQL/SQLite, PostgreSQL
- **Systems**: GitHub, JIRA, PRZilla

GITHUB PROJECTS

- **snowplow/snowplow-java-tracker** - Adds analytics to your Java desktop and server apps, servlets and games.
- **snowplow/snowplow-ios-tracker** - Snowplow event tracker for iOS 7+. Adds analytics to your iOS apps and games.
- **snowplow/snowplow-android-tracker** - Snowplow event tracker for Android. Add analytics to your Android apps and games.

PROFESSIONAL EXPERIENCE

May. 2014 - August. 2014
Software Developer Intern, *Snowplow Analytics Ltd.*
- Rewrote and modularized the Java event tracker along with new features and functionality; released multiple version updates over time.
- Released the iOS & Android event tracker, inheriting from the Java core library.
- Setup continuous integration build environments for running unit tests. Managed and prioritized related issues within the projects using GitHub Issues.

May. 2013 - Dec. 2013
Software Developer Intern, *BlackBerry Ltd.*
- Single handedly developed and maintained management of the Notification Settings in Cascades/Qt (a task not usually reserved for internship developers).
- Responded to QA and incorporated re-design to the same Notification settings UI frontend/backend to enhance new product requirements and API's
- Assisted and collaborated with other internal teams to provide specific requirements to the UI.
- Created an automation test build machine as a Jenkins node to the existing internal Jenkins farm while creating GTest test cases for it.

May. 2012 - Dec. 2012
Slipstream Software Test Developer Intern, *BlackBerry Ltd.*
- Primary support for remote QA team with issues they would encounter during their testing.
- Created test cases from situational matrixes for Blackberry 10 Bridge project.
- Investigation and verification into issues seen on an infrastructure level of development.
- Mentored junior coops on a daily basis with all the above mentioned tasks.
- Selected to work in multiple war rooms with cross-departmental teams on time sensitive projects.
- Received '&itShows' Employee Recognition Award (four stars) for collaboration - an inter departmental award, that requires nomination by fellow staff and required both manager and director approval to receive.

Aug. 2011 - Apr. 2012
I.T. Services Help Desk, *University of Windsor*, Windsor, Canada.
- Network troubleshooting, accessing university resources through personal computers.
- Provided support for installation as well as solving technical issues over the phone or remotely.
- Technologies got to work on: Lotus Notes 8, Novell NetWare, Trend Micro

EDUCATION

2015 **Bachelors of Science, Computer Science**, *University of Windsor.*

2010 **Edexcel GCE & IGCSE**, *St. Mary's Catholic High School, Dubai.*

ACADEMIC ACHIEVEMENTS

- University of Windsor Entrance Scholarship ($4000).
- University of Windsor Residence Entrance Scholarship ($6000)
